

GUEST Pre-Hire Checklist:

General:

- ✓ Pots, pans, and cutlery can make noise during travel, so pack items around them to secure them.
- ✓ Remove the grill pan from the oven and store it elsewhere or wrap it in a tea towel to prevent noise and damage.
- ✓ Park on as level ground as possible to ensure stability and comfort during your stay.
- ✓ Before each journey, check oil and water levels, especially for long-distance driving. Refer to the re-cap for oil type.

General Road Behavior:

- ✓ Familiarize yourself with UK road signs and regulations, and always abide by the highway code.
- ✓ Use passing places to allow traffic behind you to pass, especially in Scotland & Cornwall.
- ✓ Respect speed limits and drive accordingly, including on motorways and built-up areas.
- ✓ Use direction indicators when appropriate to signal your intentions to other drivers.

Parking:

- ✓ Check for height barriers and signs prohibiting motorhomes at parking areas.
- ✓ Read and follow parking rules and regulations signposted in the area.
- ✓ Ensure clear visibility of your parking ticket in the windscreen and pay for the appropriate allocated time.
- ✓ Use larger spacing for larger vehicles, avoiding occupying more than one space.
- ✓ Use park and ride facilities in highly populated tourist areas where roads may be unsuitable for motorhomes.

Reversing:

- ✓ Have someone outside to guide you while reversing.
- ✓ Exercise caution and patience while maneuvering, especially in tight spaces.

Campsite:

- ✓ Tidy your pitch before leaving and dispose of any rubbish properly.
- ✓ Check out and pay site fees at reception before departure.
- ✓ Use a flag as a marker if leaving your pitch for a day out, for easy identification upon return.

Fire Precautions:

- ✓ Familiarize yourself with onboard safety measures.
- ✓ Know campsite fire meeting points and alarms.

Wild Camping:

- ✓ Avoid wild camping where signs prohibit it.
- ✓ Check leisure battery regularly, especially when camping off-grid, and conserve power as needed.
- ✓ Use eco-friendly practices and dispose of waste responsibly.

Pets:

- ✓ Adhere to pet policies and keep pets under control at all times.
- ✓ Clean up after your pet and dispose of waste properly.

Troubleshooting:

Refer to the provided troubleshooting guide for common issues related to lights, water, gas, fridge, boiler, and more.

Follow the steps outlined to resolve issues or contact the Vaaroom team for assistance if needed.

Remember to enjoy your motorhome adventure and have a safe journey!
